Plan to come to worship early that morning and gather together at the Lord's Table.

Dayspring Kidz

Beginning Sept. 12

Come with us to a very strange town, a place where people live their lives upside down.

Now that doesn't mean that they stand on their heads, or they climb to the ceiling to get into their beds! It's the choices they make that we call "upside down." And some of their choices are the strangest around!

Mentor Opportunity

One of Dayspring's core values is service. As a congregation, we strive to be in service to our community in such a way that even if someone never actually worships with us, their life can still be positively impacted because of our existence as a church body. If you have some extra time you can devote to being a positive

influence in the life of a child, Jack Elementary needs you. Jack is looking for people who are willing to mentor one or more students. The time commitment is flexible but should be at least 30 minutes every 3 weeks. Mentors do some or all of the following: encourage, praise, motivate, congratulate, read with, and provide a positive role model for children. If you are interested in knowing more about the mentorship program at Jack Elementary contact Tamara Colston at 903-262-3260 or tamara.colston@tylerisd.org .
