Kid Check...

At Dayspring, nothing is more important to us than the safety and security of your children. That's why we've chosen **KidCheck** to bring you the best experience at check-in and to provide you with the ability to act with us as a team to keep them in safe hands. We will go live with **KidCheck** the first week in September.

You can create your free account online by going to www.kidcheck.com, selecting the "Parents" section and following the link called "Get your Free KidCheck Account". Creating your free account at home only takes a few minutes and not only will you be helping us to have a smooth transition but your first check-in will go much faster! Once you've created your account, simply use your 10 digit phone number to sign in your kids at Dayspring Kidz.

Sermon Series "Story"

We have begun a summer sermon series called "Story". During this series, we will explore some of the great stories of the scriptures as we follow the lectionary (calendar of biblical readings).
