Planning for Dayspring Youth

We are excited to announce new plans underway for building a sustainable youth ministry which will have a deep impact for our middle and high school students. We encourage all members of our church family to participate in the development process. Dayspring has invited Youth Ministry Architects-a professional organization with a wealth of successful experience-to visit on January 17,18, & 19. During this time YMA will spend time listening to a variety of groups within the church taking copious notes on YOUR insights and dreams about a Youth Program. They will develop a report and a plan for where it seems God is taking us next, laying out specific recommendations and a blueprint for how to move forward. To make sure you are included in this innovative process, please e-mail info@dayspringumc.com and we will send more detailed information.

GROzone Helpers Needed

Training and materials provided. Start Date: Jan. 3, 2010. Please report your reply to Sharon@dayspringumc.com. Or Call the Dayspring Office: Code 3#
