

Sunday Leftovers

Sermon Title: It Starts at Home – Meals at Home

The Meals at Home campaign is a way to help families be intentional about having faith conversations at home. All Dayspring attendees will receive a packet this Sunday that is filled with activity ideas, discussion starter questions, and more to encourage people to eat together frequently for the next 3 months. These resources will also be available at the Home Point center. For more on the campaign, you can visit: <https://www.lakepointe.org/homepointe/meals/>
